

Monday Musical Club, Inc

Established in 1908, our mission is to Stimulate and Cultivate a Lifelong Relationship with Music. We host various performing arts programs featuring quality professional artist/educators, and student artists.

All programs remain free and open to the public.

New members are always welcome!

Our Community Concert Series is held in October, November, and March through June. The Christmas Vespers program is on the first Sunday in December and features our Women's Chorus. The chorus also performs at the June concert.

Our Grants program supports schools and other non-profit organizations in Berrien County for music instruction, programs, performances, and other projects that engage and educate people of all ages in the performing arts.
